

Accessibility Statement

Seahorse Promotions Ltd is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability.

We are actively working to increase the accessibility and usability of our website and in doing so adhere to many of the available standards and guidelines.

This site has been built using code compliant with W3C standards for HTML and CSS. The site displays correctly in current browsers and using standards compliant HTML/CSS code means any future browsers will also display it correctly.

If you wish to make websites easier to read and navigate, you can change display settings such as:

- * Text size
- * Colour and contrast
- * Screen magnification

Through the BBC's website "[My Web My Way](#)", which offers help on adjusting these and other features in your specific operating system and browser.

Whilst Seahorse Promotions Ltd strives to adhere to the accepted guidelines and standards for accessibility and usability, it is not always possible to do so in all areas of the website.

We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility. In the meantime should you experience any difficulty in accessing the Seahorse Promotions Ltd website, please don't hesitate to contact us on Info@SeahorsePromotions.co.uk.
